

Nataly and Stephen are Guests of Honor at Young Israel of New Rochelle's 47th Annual Dinner, and observing their dedicated and steadfast commitment community service, it is easy to see why as Young Israel of New Rochelle chose to honor this couple.

The Neuwirths became active members of the New Rochelle community immediately after moving to the area 11 years ago. They are the proud parents of four sons: Oren, Ely, Benny and Emmanuel. In spite of their busy family life, have found time and energy to give back to the community they love.

Law is a demanding profession, yet Stephen has found the time to serve on the Young Israel New Rochelle Board of Trustees from 2005 to 2011 and led recently a successful effort to retire YINR's mezzanine loan.

Nataly has also been a steadfast member of the YINR community. She's a generous participant of the Women's League where she prepares meals for new mothers, packs YINR's Mischloach Manot and supports the Mikvah Bake Sale.

Nataly and Stephen have also devoted themselves to the cultural growth of the New Rochelle community, supporting YINR's shul and mikvah, sponsoring and hosting scholars in residence, and Shabbat onegs. In the past year both Nataly and Stephen dedicated the new publication, Chumash Mesoras Harav at YINR.

Their exceptional devotion, however, is not limited to the New Rochelle community. Nataly and Stephen have also given time, support and involvement in the important affairs of neighboring communities, most notably Salanter Akiba Riverdale Academy. The pair has also participated in the Jarden Westchester triathlon as members of "Skippy's team," to raise awareness for the fight against leukemia.

Nataly and Stephen are exemplary members of the New Rochelle community. Their service and dedication is not only admirable, but their boundless energy and commitment to furthering causes close to them is truly exceptional.

IN RECOGNITION OF THE 350TH ANNIVERSARY OF DARTMOUTH, MASSACHUSETTS

**HON. WILLIAM R. KEATING**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 9, 2014*

Mr. KEATING. Mr. Speaker, I rise today to recognize the 350th anniversary of Dartmouth, Massachusetts, a scenic and vibrant coastal town in southeastern Massachusetts.

Dartmouth was originally settled in the 1650s by the Religious Society of Friends, also known as the Quakers, a group that had been banned from Plymouth Colony on account of its religious doctrines. The town's official incorporation came in 1664. The Quakers have been long known for their refusal to participate in war, their opposition to slavery, and their belief in the priesthood of all followers, and remain an important part of Dartmouth's culture today.

In its early years, Dartmouth was mostly an agricultural, whaling, and shipping settlement. Its most famous whaling ship was the HMS *Dartmouth*, which is more famously known for

being the first ship targeted in the Boston Tea Party. The *Dartmouth* set sail to London in 1773 with a cargo of whale oil, returning to Boston with a ship full of tea from the East India Trading Company. Luckily for the American ship owners, only the tea was destroyed. The protestors even swept the decks clean after the protest.

Today, this South Shore town maintains its rural charm, continuing to attract vacationers to its picturesque coast. Many portions of Dartmouth have changed very little in the past hundred years, serving as important historical sites.

Mr. Speaker, please join me in congratulating the town of Dartmouth and the entire Dartmouth community on the celebration of their 350th anniversary. May this beautiful Massachusetts town flourish for many years to come.

CONGRESSIONAL RECOGNITION  
FOR THE 100TH ANNIVERSARY  
OF THE TUCSON YMCA

**HON. RON BARBER**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 9, 2014*

Mr. BARBER. Mr. Speaker, I rise today to recognize the 100th anniversary of the YMCA located in my district in Tucson, Arizona.

Since 1914, the YMCA of Southern Arizona has been strengthening the Tucson community by fostering physical, mental and social development. From the original modest site at the corner of Congress and Court Streets in Downtown Tucson, the Y began developing programs for young men.

In 1948 the YMCA's Triangle Y Camp was established in the Catalina Mountains, and in the 1950s and 60s, new locations included a central branch, the Lighthouse YMCA, a south branch, the Mulcahy YMCA and the Ott Family YMCA on the east side. The YMCA Foundation was established in 1973, and today has a \$3.5 million professionally managed asset fund. New locations continued with the Lohse Family YMCA in 1992 and the Northwest Community Center in 2002. In the last decade, many of the locations have been improved and expanded to better serve community needs.

Today, the Y has five amazing branches that incorporate the tenets of youth development, healthy living and social responsibility. The YMCA of Southern Arizona has developed hundreds of programs. From sports, aquatics and camp activities that help kids, youth and seniors to child care, military support and family services—there is no limit to their inclusiveness for our community as they serve 200,000 participants each year.

As we look to the future, the Y will continue to provide programs and services for adults, children and families.

I am proud to honor their 100-year legacy and anticipate the great things they will provide in the next century.

HONORING DR. EDWARD W. WRIGHT

**HON. BARBARA LEE**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 9, 2014*

Ms. LEE of California. Mr. Speaker, I rise today to honor the extraordinary life of Dr. Edward W. Wright. Known throughout the Bay Area as a physician, mentor, active community member, and devoted husband and father, Mr. Wright has left an indelible mark on our community. With his passing on May 29, 2014, we look to the outstanding quality of his life's work.

Born on June 2, 1922 in Fayette, Howard County, Missouri, Dr. Edward Wright was the fourth child born to William Marion Wright and Lunie K. Cameron. When Dr. Wright was five years old, he caught scarlet fever and was hospitalized for a long period of time. At this young age, Dr. Wright was inspired to become a doctor. He later moved to El Paso, Texas to live with his aunt and uncle after losing both of his parents in an unfortunate tragedy. In El Paso, he graduated Douglas High School with honors, and he then went on to attend Sam Houston College in Austin, Texas. In 1943, Dr. Wright graduated Magna Cum Laude as a Pre-Medical student with a Bachelor of Science Degree.

In 1945, Dr. Edward Wright attended Meharry Medical College in Nashville, Tennessee, where he partook in an accelerated program in Internal Medicine. At the age of 25, he graduated with honors and went on to complete his residency at the Veterans Affairs Hospital in Tuskegee, Alabama. He became Chief Resident and served as a full-time staff physician until 1955.

Dr. Edward Wright and his family relocated to California in 1955, where Dr. Wright served as a Medical Officer for the Armed Forces at Fort Ord. After he completed his service, they relocated to Oakland, where Dr. Wright began a private practice in December 1958. Seven years later, he established and built a medical facility to serve families throughout Oakland.

In addition to his prolific career, Dr. Wright was an active member in the community. He volunteered at the East Oakland Boys Club, providing physical exams, counseling and financial assistance for camperships and uniforms. For the next 40 years, Dr. Wright served as a physician, mentor and father-figure to more than 1,200 boys at the North and East Oakland Boys Clubs. Dr. Wright was also active with the Oakland Chapter of the Lions Club, providing countless hours of Loyal Lions Service.

In 1969, he joined the Board of Directors of the Boys and Girls Club and then served as President of the Board from 1980 to 1982. He was presented with the Man and Boy Trophy Award for his work with the Boys and Girls Clubs in 1964. Later, he received the Boys and Girls Clubs Service Award Medallion and then was honored during a formal tribute in 2000 at the First Annual Volunteer Recognition Dinner.

On a personal note, I have known Dr. Wright, or "Piggy" as my mother, Mildred Massey, called him, since I was a child. He and my mother attended school together and were very close. We loved "Piggy" and will miss him tremendously. He was one of my

earliest supporters when I first ran for public office in 1989 and, for that, I am deeply grateful.

Today, California's 13th Congressional District salutes and honors an outstanding individual, Dr. Edward W. Wright. As an Oakland resident, Dr. Wright's contributions have truly impacted so many lives throughout the Bay Area. I join all of Edward's loved ones in celebrating his incredible life. He will be deeply missed.

#### CONGRATULATING THE UNIVERSITY OF WISCONSIN-WHITE-WATER WARHAWKS

**HON. F. JAMES SENSENBRENNER, JR.**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 9, 2014*

Mr. SENSENBRENNER. Mr. Speaker, I rise today in honor of the University of Wisconsin-Whitewater's Warhawks, who won the NCAA Division III World Series on May 27, 2014. The Warhawks, led by pitcher Scott Plaza and Head Coach John Vodenlich, displayed a tremendous amount of grit, determination, skill, and athleticism throughout their outstanding 44-7 season, which culminated in a resounding 7-0 win over Emory University in the championship game. With this victory, the UW-Whitewater athletic program accomplished something no other NCAA team has ever done before: sweep the three major men's sports championships in one year.

The success of the UW-Whitewater baseball team has made the residents of Wisconsin proud and I salute the entire team: Daytona Bryden, Dylan Bersch, Jordan Kuczynski, Matt Langlie, Austin Jones, Colin Grove, Nick Kuhlmann, Hayden Fenner, Kyle Haen, Trey Cannon, Dylan Friend, Mike Nompoggi, Mikole Pierce, Austin Finn, Trent Diekvoss, Curtis Morgan, Donnie Manke, Steve Chamberlain, Jared Fon, Adam Gregory, Justin Mortensen, John Olejniczak, Mike Mierow, Brock Liston, Michael Gonzalez, Casey Power, Andrew Lowe, Connor Hurst, Scott Plaza, and Matt Roberts.

Winning a national championship is never easy. On behalf of my congressional office and my constituents in Wisconsin's fifth district, I commend the coaches and players at UW-Whitewater for their hard work and dedication, and wish them continued success in the future.

#### IN RECOGNITION OF THE 40TH ANNIVERSARY OF BREAD FOR THE WORLD

**HON. SPENCER BACHUS**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 9, 2014*

Mr. BACHUS. Mr. Speaker, I rise today on behalf of Representatives JIM MCGOVERN of Massachusetts, FRANK WOLF of Virginia, XAVIER BECERRA of California, CHARLIE DENT of Pennsylvania, and MARCIA FUDGE of Ohio in recognition of Bread for the World's 40th anniversary. Bread for the World is a bipartisan Christian movement committed to ending hunger and poverty in the United States and around the world.

Founded in 1974 by the Rev. Arthur Simon, Bread for the World began as a small group of Catholics and Protestants who realized that mobilizing people of faith to influence U.S. policies can address the causes of and help to end hunger. Today, Bread for the World has grown in size and influence, with over 72,000 members, 5,500 congregations and more than 50 denominations. Bread for the World is now the largest grassroots advocacy network on hunger issues in the United States.

Each year, Bread for the World members across the country conduct an Offering of Letters in their church. But rather than an offering of money, it is an offering of hand-written letters to Congress on one policy issue that will affect hunger in the U.S. and around the world. This successful advocacy tool has helped make tremendous progress in eradicating hunger and poverty.

Over the last 40 years, the faith community has played a significant role, which has resulted in policies that strengthened our national nutrition programs; provided debt relief to the world's poorest countries; reduced child mortality rates worldwide; extended tax credits for low-income working families; and developed a national strategy for maternal and child nutrition.

Bread for the World strongly believes that, with political will, we can end hunger within our lifetime. We applaud and support Bread for the World's goal of making hunger a national priority.

Mr. Speaker, please join us in congratulating Bread for the World for 40 years of advocacy, and urge that its members continue to be a voice for years to come for those whom Scripture calls "the least of these."

#### HONORING JOSE PEIXOTO

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 9, 2014*

Mr. ENGEL. Mr. Speaker, like many who came to our shores, Jose Peixoto moved to America in search of opportunities.

Jose Peixoto was born in the City of Braga, in the northernmost region of Portugal. The youngest of five children, Jose learned to value honest work and education. He joined the Portuguese Air Force when he was 17 years old, serving honorably for 3 years.

Jose arrived in Yonkers when he was just 23 years old. His wife Celeste and his children, Joe Jr. and Aurora, later followed. Today Jose is blessed to be the proud grandfather of five grandchildren: Sophia, Sabrina, Angelica, Gabriela and Monica.

Upon settling in Yonkers in 1967, Jose immediately began serving his community, quickly becoming a member of the Portuguese-American Community Center. Throughout his association with the Community Center, Jose has held a diverse range of challenging and important positions, but perhaps none more so than guiding the Center through the difficult transition period.

His legacy is literally within the foundations of the Portuguese-American Community Center. Jose was intricately involved in selling the old building, buying the land to build a new Center and leading efforts to raise money for its construction. Jose also played an important

role in developing the Center's by-laws and negotiating its tax-free status. It is clear that little would have been achieved without his leadership and drive.

Jose has also been a keen supporter of other programs within the community. Jose and Celeste sponsor the Center's Folkloric Group, an important link to Portuguese traditions and culture. Jose has also served on the Center's Advisory Council and Scholarship Committee, along with many other ad hoc committees.

At every opportunity Jose has sought the opportunity to serve the community he cares so deeply for. He is a testament to what can be accomplished in the communities around the country when an individual puts the interests of others above themselves and works tirelessly for the betterment of our society.

It is clear that the Portuguese-American Community holds Jose Peixoto in high regard and I join them in thanking him for his steadfast commitment and enduring legacy of service.
